1 A Status Conference in this case is scheduled for July 7, 2008, before Judge Patel. The  
2 parties have reached an agreement in principle to settle the case and are attempting to work out  
3 the details of the agreement and reduce the agreement to writing, after which time they expect to  
4 dismiss the case. The settlement process has been delayed in part due to the need to resolve  
5 certain outstanding issues concerning a third party. Ricoh reached an understanding with that  
6 third party as recently as last week. The parties are scheduled to have further talks this week for  
7 the purpose of revising the settlement and license agreements to take into account these latest  
8 developments with that third party. Accordingly, the parties request that the conference be  
9 removed from the Court's calendar to give them time to complete the settlement process. The  
10 parties request that the status conference be postponed for a further 30 days or until such time  
11 thereafter as is convenient for the Court. The parties shall promptly inform the Court if the  
12 settlement process is successfully concluded. This motion is supported by the declaration of J.C.  
13 Rozendaal pursuant to Civil L.R. 6-2.
